Our commitment

As a Leadership we recognise the need to provide a safe and caring environment for children, young people and vulnerable adults. We acknowledge that children, young people and vulnerable adults can be the victims of physical, sexual, emotional, spiritual and domestic abuse, and neglect.

We are committed to implementing a safeguarding children policy and accepting the Church of England Policy Protecting All God's Children (4th edition 2010) and Promoting a Safer Church 2017 and Responding Well to Domestic Abuse policy and practice Guidance 2nd Edition, and to be responsive to local parish requirements.

We are committed to implementing a safeguarding policy for adults when they are vulnerable accepting the Church of England Policy on safeguarding children, young people and adults (Promoting a Safer Church 2017 and Responding Well to Domestic Abuse policy and practice Guidance 2nd Edition) and being responsive to local parish requirements.

As a Leadership we have therefore adopted the procedures set out in this safeguarding policy in accordance with statutory guidance and having due regard to the Parish Safeguarding Handbook Promoting a Safer Church Version 0.1 June 2018. We are committed to build constructive links with statutory and voluntary agencies involved in safeguarding.

The policy and attached practice guidelines are based on the ten **Safe and Secure** safeguarding standards published by the Churches' Child Protection Advisory Service (CCPAS) and the Church of England Parish Safeguarding Handbook Promoting a Safer Church Version 0.1 June 2018.

The Leadership undertakes to:

- Provide on-going safeguarding training for all its workers and will regularly review the operational guidelines attached.
- Ensure that the premises meet legal requirements and are welcoming and inclusive.
- Support the Safeguarding Coordinator(s) in their work and in any action they may need to take in order to protect children and vulnerable adults.
- Review and maintain appropriate policies and risk assessments for Church Groups and Activities.

SECTION 2

Recognising and responding appropriately to an allegation or suspicion of abuse

Understanding abuse and neglect

Defining child abuse or abuse against a vulnerable adult is a difficult and complex issue. A person may abuse by inflicting harm, or failing to prevent harm. Children and adults in need of protection may be abused within a family, an institution or a community setting. Very often the abuser is known or in a trusted relationship with the child or vulnerable adult.

Abuse to include:

Physical abuse including hitting, slapping, pushing, kicking, misuse of medication, restraint or inappropriate sanctions.

- **Sexual abuse** including exploitation, rape and sexual assault or sexual acts to which the has not consented, or could not consent or was pressurised into consenting.
- **Psychological abuse** including emotional abuse, threats of harm or abandonment, deprivation of contact, humiliation, blaming, controlling, intimidation, coercion, harassment, verbal abuse, isolation or withdrawal from services or supportive networks.
- **Financial or material abuse** including theft, fraud, exploitation, pressure in connection with wills, property or inheritance or financial transactions, or the misuse or misappropriation of property, possessions or benefits.
- **Neglect or acts of omission** including ignoring medical or physical care needs, failure to provide access to appropriate health, social care or educational services, the withholding of the necessities of life, such as medication, adequate nutrition and heating.
- **Discriminatory abuse** including racist, sexist, that is based on a person's disability, and other forms of harassment, slurs or similar treatment.
- **Domestic abuse** that is usually a systematic, repeated and often escalating pattern of behaviour by which the abuser seeks to control, limit and humiliate, often behind closed doors
- **Human Trafficking:** The number of people trafficked for sexual exploitation, domestic servitude, 'sweat-shop labour' or other exploitation has risen sharply throughout Europe. Violence, intimidation and restriction of liberty often go hand in hand.
- **Spiritual abuse** is not covered by the standard statutory definitions of abuse but can be part of other forms of abuse. For instance, the Inquiry into the death of Victoria Climbié found that she had been severely traumatised by "deliverance prayer" at her church, which led her to believe that she was possessed by demons and was evil and wicked. A child should never be told this or encouraged to believe it. Sensitivity and discretion is required in prayer for children. These issues are equally applicable to adults
- **e-Safety and Abuse:** With the ever-growing use of the internet and mobile telephones there has been a corresponding rise in the use of the internet and other electronic communication to target, groom and abuse children. Adults may target chat rooms, social networking sites, messaging

services, mobile phones and the internet generally. Children are particularly vulnerable to abuse by adults who pretend to be children of comparable ages in social networking sites and who try to obtain images or engineer meetings

- **Non-Recent Abuse:** Safeguarding concerns or allegations may be about something that is going on now and/or something that may happen in the future (recent) or something that happened in the past (non- recent). Non-recent allegations must be treated as seriously as recent allegations

Safeguarding awareness

The Leadership is committed to on-going safeguarding training and development opportunities for all workers, developing a culture of awareness of safeguarding issues to help protect everyone. All our workers will receive induction training and undertake safeguarding training as required.

The Leadership will also ensure that children and vulnerable adults are provided with information on where to get help and advice in relation to abuse, discrimination, bullying or any other matter where they have a concern.

RESPONDING TO ALLEGATIONS OF ABUSE

IF A CHILD OR ADULT IS IN IMMEDIATE DANGER, CONTACT THE POLICE AND/OR SOCIAL SERVICES IMMEDIATELY.

RING 999

Under no circumstances should a worker carry out their own investigation into an allegation or suspicion of abuse. Following procedures as below:

- The person in receipt of allegations or suspicions of abuse should report concerns as soon as possible to the "Safeguarding Co-ordinator" who is nominated by the Leadership to act on their behalf in dealing with the allegation or suspicion of neglect or abuse, including referring the matter on to the statutory authorities.
- In the absence of the Safeguarding Co-ordinator or, if the suspicions in any way involve the Safeguarding Co-ordinator, then the report should be made to the Deputy Safeguarding Co-ordinator"
- If the suspicions implicate both the Safeguarding Co-ordinator and the Deputy, then the report should be made in the first instance to the Churches' Child Protection Advisory Service (CCPAS) PO Box 133, Swanley, Kent, BR8 7UQ. Telephone 0845 120 4550. Alternatively contact Social Services or the police.
- Where the concern is about a child the Safeguarding Co-ordinator should contact Children's Social Services. Where the concern is regarding an adult in need of protection contact Adult Social Services or take advice from CCPAS as above.

safeguarding@stalbans.anglican.org
Assistant Safeguarding Advisor : Martyn Hedley 01727818106. 07931010033
- Suspicions must not be discussed with anyone other than those nominated above. A written record of the concerns should be made in accordance with these procedures and kept in a secure place.

- Whilst allegations or suspicions of abuse will normally be reported to the Safeguarding Co-ordinator, the absence of the Safeguarding Co-ordinator or Deputy should not delay referral to Social Services, the Police or the Diocese or taking advice from CCPAS.
- The Leadership will support the Safeguarding Co-ordinator/Deputy in their role, and accept that any information they may have in their possession will be shared in a strictly limited way on a need to know basis.
- It is, of course, the right of any individual as a citizen to make a direct referral to the safeguarding agencies or seek advice from CCPAS, although the Leadership hope that members of the place of worship / organisation will use this procedure. If, however, the individual with the concern feels that the Safeguarding Co-ordinator/Deputy has not responded appropriately, or where they have a disagreement with the Safeguarding Co-ordinator(s) as to the appropriateness of a referral they are free to contact an outside agency direct. We hope by making this statement that the Leadership demonstrate its commitment to effective safeguarding and the protection of all those who are vulnerable.

The role of the safeguarding co-ordinator/ deputy is to collate and clarify the precise details of the allegation or suspicion and pass this information on to statutory agencies which have a legal duty to investigate.

Detailed procedures where there is a concern about a child:

ALLEGATIONS OF PHYSICAL INJURY, NEGLECT OR EMOTIONAL ABUSE

If a child has a physical injury, a symptom of neglect or where there are concerns about emotional abuse, the Safeguarding Co-ordinator/Deputy will:

- Contact Children's Social Services (or CCPAS) for advice in cases of deliberate injury, if concerned about a child's safety or if a child is afraid to return home.
- Not tell the parents or carers unless advised to do so, having contacted Children's Social Services.
- Seek medical help if needed urgently, informing the doctor of any suspicions.
- For lesser concerns, (e.g. poor parenting), encourage parent/carer to seek help, but not if this places the child at risk of significant harm.
- Where the parent/carer is unwilling to seek help, offer to accompany them. In cases of real concern, if they still fail to act, contact Children's Social Services direct for advice.
- Seek and follow advice given by CCPAS and/or the Diocese (who will confirm their advice in writing) if unsure whether or not to refer a case to Children's Social Services.

ALLEGATIONS OF SEXUAL ABUSE

In the event of allegations or suspicions of sexual abuse, the Safeguarding Co-ordinator/Deputy will:

- Contact the Children's Social Services Department Duty Social Worker for children and families or Police Child Protection Team direct. They will NOT speak to the parent/carer or anyone else.
- Seek and follow the advice given by CCPAS if, for any reason they are unsure whether or not to contact Children's Social Services/Police. CCPAS will confirm its advice in writing for future reference.

The following procedure will be followed where there is a concern that an adult is in need of protection:

SUSPICIONS OR ALLEGATIONS OF ABUSE:

If a vulnerable adult has a physical injury or symptoms of abuse of any kind the Safeguarding Co-ordinator/Deputy will:

- Discuss any concerns with the individual themselves giving due regard to their autonomy, privacy and rights to lead an independent life.
- If the vulnerable adult is in immediate danger or has sustained a serious injury contact the Emergency Services, informing them of any suspicions.
- For advice contact the Adult Social Care Vulnerable Adults Team who have responsibility under Section 47 of the NHS and Community Care Act 1990 and government guidance, 'No Secrets', to investigate allegations of abuse.

ALLEGATIONS OF ABUSE AGAINST A PERSON WHO WORKS WITH CHILDREN

If an accusation is made against a worker (whether a volunteer or paid member of staff) whilst following the procedure outlined above, the Safeguarding Co-ordinator, in accordance with Local Safeguarding Children Board (LSCB) procedures will need to liaise with Children's Social Services in regards to the suspension of the worker, also making a referral to a Safeguarding Adviser (SA) / Local Authority Designated Officer (LADO).

SECTION 3

Prevention

Safer recruitment

The PCC acknowledges its responsibility for all work with children and young people done in the name of the Church and requires all those engaged in such work to be properly appointed and supported in accordance with the Church of England Practice Guidance: Safer Recruitment (July 2016).

The Leadership will ensure all workers will be appointed, trained, supported and supervised in accordance with government guidance on safe recruitment. This includes ensuring that:

- There is a written job description / person specification for the post
- Those applying have completed a self declaration form
- A disclosure and barring check has been completed (we will comply with Code of Practice requirements concerning the fair treatment of applicants and the handling of information)
- Qualifications where relevant have been verified
- A suitable training programme is provided for the successful applicant
- All workers know where a copy of the organisation's safeguarding policy can be found and know how to report concerns.

Management of Workers – Codes of Conduct

As a Leadership we are committed to supporting all workers and ensuring they receive support and supervision.

The Leadership undertakes to follow the principles found within the 'Abuse Of Trust 'guidance issued by the Home Office and it is therefore unacceptable for those in a position of trust to engage in any behaviour which might allow a sexual relationship to develop for as long as the relationship of trust continues.

SECTION 4

Pastoral Care

Supporting those affected by abuse

The Leadership is committed to offering pastoral care, working with statutory agencies as appropriate, and support to all those who have been affected by abuse who have contact with or are part of the Church, regardless of the type of abuse, when or where it occurred.

Working with offenders

When someone attending the place of worship / organisation is known to have abused children, or is known to be a risk to vulnerable adults the Leadership will supervise the individual concerned and offer pastoral care and maintain appropriate confidentiality, but in its safeguarding commitment to the protection of children and vulnerable adults, set boundaries for that person which they will be expected to keep.

SECTION 5

Practice Guidelines

As a Church working with children, young people and vulnerable adults we wish to operate and promote good working practice. This will enable workers to run activities safely, develop good relationships and minimise the risk of false accusation.

As well as a general code of conduct for workers we will seek to develop good practice guidelines for every activity we are involved in.

Working in Partnership

The diversity of organisations and settings means there can be great variation in practice when it comes to safeguarding children, young people and vulnerable adults. This can be because of cultural tradition, belief and religious practice or understanding, for example, of what constitutes abuse.

We therefore have clear guidelines in regards to our expectations of those with whom we work in partnership, whether in the UK or not. We will discuss our safeguarding expectations with all prospective partners.

Good communication is essential in promoting safeguarding, both to those we wish to protect, to everyone involved in working with children and vulnerable adults and to all those with whom we work in partnership. This safeguarding policy is just one means of promoting safeguarding.
